Copy to: Mrs. Plott/ZB

To: Dr. Ute Katscher

Publication: JUL-3606 by Dr.U. Reuter, Dissertation of Düsseldorf University

Dear Dr. Katscher,

I refer to your request at Mrs. Plott in relation to the date of publication of the Jul-Report JUL-3606. It follows from our materials that:

- the manuscript under the title "Genetic and Physiological Researches of the Formation of Panthothenate and Valine in Corynebacterium glutamicum" by Mr. Uwe Reuter was approved on 15.06.1998 for publication in accordance with the Rules for Publication in FZJ,
- then, the script as order JUL-Script 3552 was forwarded with our own publisher on 6.07.1998 to a print office,
- a call of 14.08.1998 mentioning a patent that is filed made Mr. Reuter to stop the publishing process,
- the order was stopped in the print office, the JUL-number was crossed out,
- Mrs. Foerstel/IBT advised on 2.12.1998 that the publication process can be continued because the patent matter has been done,
- the printing for the publication of the mentioned above script was allowed on 3.12.1998, and the script has obtained a new JUL-number JUL-3606,
- the printed copies were forwarded to Central Library on 26.02.1999,
- after the 26.02.1999, the JUL-report JUL-3606 was sent to the exchange-partner and so the publication was made effective.

These details could assist you in better understanding the materials in this case that are enclosed as copies to this letter.

Sincerely yours,

A. Otto

Enclosures: cover form copy of the publication JUL-3552 or JUL-3606,

- file card copy for maintenance the JUL-script as the JUL-3606
